Class Cancellation Policy

Updated/Approved April 23, 2026

1. If a class must be cancelled due to coach illness, or other unforeseen event, the class will be made up if time allows or refunded at the end of the session.
2. Class may be cancelled if the road conditions are unsafe to be on as we want to keep our coaches and athletes safe. Cancellation will be decided by noon the day after assessing special weather reports, road reports, and travel advisories.
3. Class cancellation will be communicated through Facebook, and an email will be sent out to all that have classes on that day.
