## **Class Registration Policy**

Updated/Approved April 23, 2026

- Children ages 0-3 must be registered in a Parent/Tot class. A responsible parent/adult must attend class with each athlete.
- Children in any unparented program must be fully potty trained.
- Children ages 6+ will be registered in the appropriate badge levels as determined by the Head Coach.

The Rimbey Gymnastics Club and Head Coach have the right to remove a child from a class if they are not registered in the appropriate class. We will do our best to offer an alternate option.

Registration is not complete until payment is made in full, or a payment plan is agreed upon with the Registrar and/or Treasurer. If there is a waitlist for a class and there is an athlete with unpaid registration after registration closes, they will be removed from the class list, and the spot will be opened to the waitlisted athletes.

If there are not enough athletes registered in a class, that class will be cancelled. The Rimbey Gymnastics Club will do our best to place registered athletes in an alternate class.

For any of our competition classes these are an invite only class and will need a tryout with our coaches to be accepted into them. Once accepted, you will receive a passcode from the registrar to register your child.
