Refunds are available if you make the decision to withdraw on or before your child's 3rd scheduled class regardless of if your child has attended those classes. There will be a \$25 processing fee deducted from the class cost, the remainder will be refunded.

If the athlete becomes unable to attend class due to a medical reason, a refund for the remaining classes will be processed. The board reserves the right to request a note from a medical professional indicating that they should not continue to participate in class.

AGF fees are non-refundable, regardless of the circumstance.
